## BRETT L. ANTONIDES

BAntonides@asm-law.com

Brett L. Antonides is Of Counsel to ASM. His comprehensive business law practice involves all aspects of commercial transactions and litigation on both a regional and national basis. The transactional work encompasses all major elements, including the structure and conduct of business relationships (e.g., corporations, partnerships, LLCs, joint ventures, franchises, consulting and teaming agreements, shareholder agreements, employee relations, and executive compensation), the drafting and negotiation of all types of commercial contracts and related documents, intellectual property and technology licensing, finance and securities (e.g., debt financing - all types; swap transactions; security interests in real/personal property; asset securitization; enforcement/ collection; equity investment, private placements; venture capital; filings/compliance; investor relations), business/tax planning - mergers, acquisitions, reorganizations, divestitures, dissolutions, and tax controversy work, business plans - budgets, financial statement analysis, employment (hiring, firing, discrimination, harassment and wage claims); real estate/equipment leasing, insurance, and debtor-creditor relations.

Mr. Antonides has represented a diverse group of clients operating both domestically and internationally, ranging from high-tech firms in the computer and telecommunications fields to government contractors (including minority and woman-owned businesses) to professional services, manufacturing companies, construction companies, retailers, automotive and food services, and individuals. Mr. Antonides advises all levels of management and acts as outside General Counsel to several companies.

Mr. Antonides' business litigation practice includes all aspects of civil trial and appellate practice in federal and state courts nationwide, as well as AAA/NASD arbitrations and other ADR. He has handled cases involving commercial disputes, shareholder/partner suits, fraud, fiduciary duties, business valuations, 10b-5 and other securities laws violations, debtor-creditor actions, employment claims, government contracts - protests, claims, and terminations, construction disputes, insurance coverage, warranty claims, False Claims Act cases, and international shipping disputes.
